Alumni

What Is the Service Adventure?

The Service Adventure is a short-term mission trip that challenges you to experience service and ministry on a whole new level. The combination of Service and Adventure makes it an exciting opportunity for Christian growth! For two weeks you can join participants from different countries as they come together for one purpose—to become better prepared to serve the Lord. Whether that means serving in your neighborhood, in another part of the world, or possible service through the Educational Assistance program for graduates, you will catch a lifelong vision of a world in need of Christ!

You will have the opportunity to serve the Lord through serving others in need. Be challenged as you step out of your comfort zone and explore a different culture. Meet new people and make friends that will last a lifetime!

Training for Service

In the first week of Service Adventure, you will be challenged and grow along with your team members as you participate in training for ministry. You will learn to work together through team-building activities as you prepare to serve the Lord and people who serve in schools using the A.C.E. program.

Training for service includes learning how to recognize and fulfill your unique calling by studying what it means to serve the Lord wholeheartedly. Inspiring evening devotions challenge you to action through God's Word, prayer, and Scripture memory. Preparation for service also includes practical classes and activities such as cross-cultural orientation, puppetry, language lessons, and school furniture construction skills.

Part of the adventure will include roughing it by sleeping on a hard surface, eating unusual foods, and using less-than-comfortable bathing facilities—excellent training for missionaries!

Service in Action

Once training is complete, the second week will be spent serving and ministering in needy schools that use the A.C.E. program. You will travel with your team to spend at least five days implementing what you have learned. Teams will enjoy getting to know the people as they minister, build student offices, paint, and do whatever they can to help these schools prepare for the new school year. Participants will have the chance to take part in sharing the Gospel through their testimonies as well as puppetry or drama.

At the end of serving at offsite locations, fellow participants and leaders will return to the Service Adventure base for a day of rest and debriefing. Debriefing is an essential part of the Service Adventure experience because it allows participants to make an overall self-assessment of physical, emotional, mental, and spiritual growth. This is a time for evaluating personal and group experiences, preparing a video presentation to share your adventure, and applying what was learned to everyday life.

Who Can Attend?

All participants must be at least 16 years of age by June 1 prior to Service Adventure. Attendees must be using at least three core subjects of the A.C.E. curriculum, be a graduate who used the curriculum, or be a parent or staff member actively serving in a school using the A.C.E. program. Participants under the age of 18 must have written permission from a parent/guardian. A written recommendation from the participant's pastor or supervisor is required. Adults of all ages are encouraged to participate as the Service Adventure is not just for young people. Background checks are necessary for participants 18 and older.
